Property Description

Incredible location, close to Rum Point and perched high and dry at approx 16 feet above sea level on a beautiful sandy lot with some of the best snorkeling that Grand Cayman has to offer, steps away! Large rooms, all bright and airy. 2 master suites, one on the ground floor. Expansive views of the Caribbean Sea, 3 covered porches, fresh water swimming pool and rentals already in place for the purchaser! Close to Rum Point, Kaibo, Bioluminescence Bay and Starfish Point. This area is doing incredibly well with short term rentals and houses are disappearing fast. Act on this before prices really start to increase.
