DESCRIPTION

Prime Beachfront Land in Little Cayman East Nestled along the serene south coast of Little Cayman, this exceptional parcel offers a rare opportunity to own beachfront land in one of the Caribbean's most untouched and peaceful islands. With over 100 feet of direct water frontage, this 0.52-acre freehold lot is a standout opportunity for those seeking both investment value and a connection to nature. Unmatched Waterfront Positioning Positioned along Guy Banks Road, the lot enjoys a pristine setting, with calm waters protected by an offshore reef. The level elevation of 12 feet provides not only practical peace of mind but also enhances the usability of the land for future development. This unique combination of reef protection and elevation makes the property ideal for building a lasting beachfront home or luxury villa. Build Your Vision, Surrounded by Nature The land features partial tree cover, offering a natural canvas for landscaping and privacy. The rectangular dimensions, 102 feet wide by 229 feet deep, allow for flexible site planning. Whether you envision a private residence, an eco-friendly retreat, or a long-term investment hold, this lot provides the space and location to make your vision a reality. With no covenants or building restrictions, you're free to design with creativity, guided only b.....complete details on website.
