DESCRIPTION

Tucked just beyond the iconic East End Lighthouse, these three adjoining parcels present a rare opportunity to secure a prime position within one of the district's most thoughtfully planned and up-and-coming communities. With paved roads, quality infrastructure, and generously sized lots throughout, this subdivision is already setting the tone for a well-established and desirable neighborhood. Each parcel spans approximately one-third of an acre, offering ample space to design and build a substantial home while still enjoying privacy and open surroundings. Notably, these are among the highest elevation lots in the area- sitting between 20-24 feet above sea level- providing a true "high and dry" setting, which is a significant advantage for coastal living in Cayman. Just steps away, you'll find a beautiful stretch of sandy beachfront with stunning ocean views, giving you the best of both worlds: elevated positioning with easy access to the water. East End continues to grow in popularity for those seeking a quieter, more relaxed lifestyle, and this particular pocket stands out for its setting, infrastructure, and overall appeal. It offers a balance of tranquility and value, making it an excellent option for both end users and investors looking to secure land in an area with strong future potential.
