DESCRIPTION

Build your dream home on this well-proportioned vacant parcel in Stepping Stones, a growing subdivision in the beautiful Breakers area. Newly listed for sale, this homesite offers the freedom to plan a residence around your preferences, priorities, and vision for island living. With an approximate depth of 126 feet and road frontage of 105 feet, the parcel provides generous dimensions for exploring a range of architectural ideas. Whether you envision contemporary lines or Caribbean-inspired character, the site offers room to consider how indoor and outdoor spaces could work together. Plans might include shaded patios for relaxing afternoons, garden areas, or gathering spaces designed for time with family and friends. Solid neighborhood covenants are in place, creating an established framework for development within Stepping Stones. These guidelines help support a cohesive neighborhood atmosphere while allowing each owner to shape a home with its own personality. Whether you are planning a permanent residence or securing land for future construction, this parcel brings together useful dimensions, a growing neighborhood, and the rewarding possibility of a custom build. Reach out to schedule a viewing and discover all this property has to offer! Images are courtesy of Cayman Land Info.
