That is why ground-floor villas are always the most sought after for vacation rentals, typically earning around 25% more income than comparable upper-floor units. Villa #1 at Plantation Village Beach Resort is one of them, and it has just completed a full renovation with an entirely new furniture package. Everything is new; nothing is a project. The three-bedroom, two-bathroom layout offers 1,410 sq ft, room enough for two couples, or one family and the friends they promised to invite. From the patio, a distant view of the ocean reminds you why you came, and the beach is a short stroll away. Amenities The real luxury of a holiday is not having to decide anything. Two resort-style swimming pools mean there is always a quieter one. There is a tennis court, a children’s playground, and kayak and paddle board storage by the beach. On-site property management handles the details, whether you are here for the season or an ocean away. Location On the southern stretch of Seven Mile Beach, an easy walk to the Grand Cayman Marriott Beach Resort, with restaurants, bars, grocery stores and Camana Bay only minutes away.
